## IT'S TIME TO SEE HOW YOU SCORED.

# POWER UP!

### SUPER SAIYAN LEVEL 1
**0 - 5 right.**

*Feh! Not very good. But don't worry. Gohan had to use the Hyperbolic Time Chamber to get this far and it took Master Kami 50 years to master the 'Wave Attack of the Turtle School'. Let's hope it doesn't take you as long to master Dragonball Z!*

### SUPER SAIYAN LEVEL 2
**6 - 11 right.**

*Your progress is good, but the battle for knowledge continues and you must use all the powers at your disposal, not to mention the TV remote, to make it.*

### SUPER SAIYAN LEVEL 3
**12 - 16 right.**

*By training hard you have reached this level. By training even harder by watching more Dragonball Z, you could go even further to the very top.*

### SUPER SAIYAN LEVEL 4
**17 -20 right.**

*Your knowledge is truly amazing. Not even Vegeta made Super Saiyan 4! And you did it without fusing with anyone else, or anything! Just one question. How many times did you have to die to get this good?*

### HARRY POTTER on sale 8th October

Okay, so J.K. Rowling's not releasing a new book this year but with the film's release moving ever closer, BBC Worldwide are releasing 6 activity books based on Harry Potter and The Philosopher's Stone. The magical paint-books **Inside Hogwarts** and **Journey to Hogwarts** give readers the chance to colour the pictures in with a magical paint palette, while the colouring books **Heroes & Villains** and **Harry Potter and Friends**, show some of the best scenes from the original book. Last but not least are the transfer books, containing a scene and transfers to use. Each one's cool in its own way, though aimed at the younger fans.

### SHOOT OUT!

A great new football game from Mega Bloks, players must construct their very own stadium before starting the game. Once it's constructed they have their very own bar football game to play. It's quick and fun – and we're still playing it!

**Which team won the FA Cup last year?**

### Egypt 2 PSOne

Egypt 2 is an epic adventure set in ancient Egypt. Experts have made sure that the setting and background are as accurate as possible. The result is an enthralling adventure with real atmosphere as your character seeks to save her father and the city of Heliopolis from destruction.

**What was the Egyptian equivalent of a king?**

**WIN:**
There are 5 copies of Egypt 2 and Shoot Out to be won. Send all entries to the address below.

To enter any of the competitions in this issue, write the answers on the back of a postcard or sealed down envelope, together with the name of the competition, and send them to Comps, Cartoon Network 40, P.O. Box 45, OL4 1FJ. All entries must be in by 5th November. The editor's decision is final and all Just Group's normal competition rules apply.

## Naz

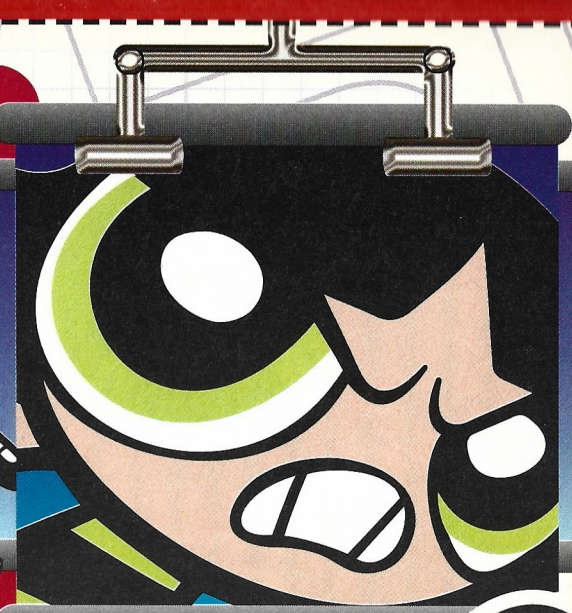
# Ed, Edd n Eddy™

She's cool and hip. She thinks she mature. She's into make up, fashion and boys. When she appears on the scene boys freeze, they sweat, their hearts beat faster and they lose the ability to talk. When she leaves they think it was something they ate. She thinks Ed, Edd 'n' Eddy are funny.

**Did you know?**

Everyone loves Naz!

## Buttercup



# THE POWERPUFF GIRLS™

She's The Powerpuff Girls' toughest fighter. Well with her attitude and temper, who's going to argue? She doesn't like being seen as 'girlish' and likes to hit first and ask questions later. Which is, er, okay by us. When she's not saving the world, she looks for fights.

**Did you know?**

Buttercup once had a crush on Ace.

The Essential Cartoon Network. Remember to keep those pages safe or the booklet will not be operational. Instructions can be found over leaf. Stay tooned next month for more pages!

To make the booklet, safely store the pages until you have all ten parts and then cut them from the comic, carefully following the dotted lines, and fold down the centre and place in order. So easy, even Ed could do it!

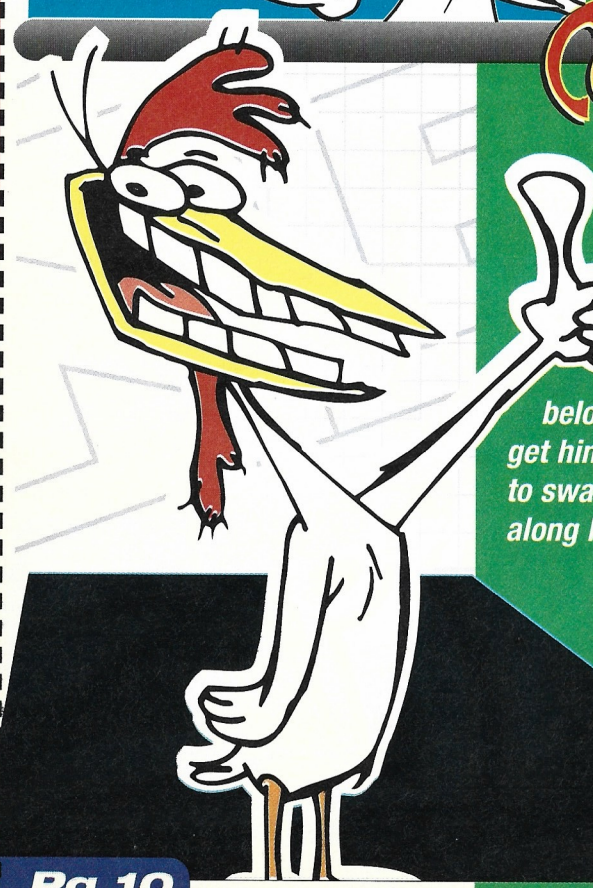
## Chicken

# COW and CHICKEN

Chicken thinks himself a street-smart Ruffian. Anxious to avoid being called, well, chicken, he'll take any dare his friends offer. His careless attitude and the physical problems and disadvantages of belonging to the poultry family often get him into big trouble and he is forced to swallow his pride and look to his tag-along kid sister, Cow, for help.

**Did you know?**

Chicken doesn't know Cow's alter-ego.



## Muriel

# COURAGE THE COWARDLY DOG

Muriel came to Nowhere USA after Farmer Eustace went to Scotland to buy livestock and came back with a wife. She can find good in anything and refuses to believe that anything nasty could happen in her home. So anything unpleasant is either ignored or befriended. She loves Courage as though he was her own son.

**Did you know?**

Muriel was created by John R. Dilworth.
